*Covid update: It is important to take the necessary precautions to ensure a healthy and successful year. UT Tyler continues to urge you to protect yourselves against the flu, COVID and any new threats that may be developing. Be diligent about preventive measures such as washing hands, covering sneezes/coughs, social distancing and vaccinations, which have proven to be successful in slowing the spread of viruses. Encourage those who don't feel well to stay home, and if they show symptoms, ask them to get tested for the flu or COVID. Self-isolation is important to reduce exposure (CDC quarantine/isolation guidelines). Please work with your faculty members to maintain coursework and please consult existing campus resources for support.*

**Disability/Accessibility Services:**

The University of Texas at Tyler has a continuing commitment to providing reasonable accommodations for students with documented disabilities. Like so many things this Fall, the need for accommodations and the process for arranging them may be altered by the COVID-19 changes we are experiencing and the safety protocols currently in place. Students with disabilities who may need accommodation(s) in order to fully participate in this class are urged to contact the Student Accessibility and Resources Office (SAR) as soon as possible, to explore what arrangements need to be made to

ensure access. During the Fall 2020 semester, SAR will be conducting all appointments via ZOOM. If you have a disability, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student Application. For more information, please visit the SAR webpage at <http://www.uttyler.edu/disabilityservices> or call 903.566.7079.

**Faculty Office Hours:** These are times when you can meet with your faculty to ask questions about the content, better understand the discipline, make career connections and more. Make use of office hours. Faculty list three hours a week (minimum) that they are available to you and also provide an appointment option if you have class or work during their office hours.

**Writing Center:** The Writing Center provides all undergraduate and graduate students a place to work on their writing projects and skills. There are tutoring options as well as workshops available to support you in your academic writing.

**Math Learning Center:** The Math Learning Center provides drop-in tutoring for lower-level math courses throughout the week. The MLC also has computer workstations for your use.

**PASS Tutoring Center:** The PASS Tutoring Center supports a variety of courses. Due to COVID-19, we are asking that you schedule an appointment for your face-to-face tutoring support. Tutoring is also available through Zoom tutoring sessions. Check the website to see the courses supported for the Fall 2020 term.

**Supplemental Instruction (SI):** SI is a series of weekly peer-assisted study sessions in courses identified by previous students as difficult. Due to COVID-19, SI sessions will be conducted face-to-face and via Zoom this fall. Check the website to see the support courses for the Fall 2020 term.

**Upswing (24/7 Online Tutoring):** Upswing is a free, confidential, and convenient way to receive help in nearly all of UT Tyler's undergraduate courses.

**Robert R. Muntz Library Staff:** UT Tyler has an incredible staff of librarians ready to assist you. [Discipline/major library liaisons](#) are available to support you and you can also schedule appointments for research consultations. In addition, the Robert R. Muntz library's Head of University Archives and Special Collections can assist you with scholarly communications, primary sources, and archive materials.

**Canvas 101:** This Canvas course provides you with a wealth of information – including how to navigate in Canvas, use ProctorU (and even take a practice test), tips for being a successful online and hybrid learner, how to use Zoom, and more!

**Digital Support Toolkits:** Digital Support Toolkits are supplemental materials generated by faculty to help you be successful in targeted courses typically taken by our freshman and sophomore population. Students registered in Digital Support Toolkits

supported courses will find these in their Canvas dashboard. You don't have to register – just take advantage of this great resource.

**UT Tyler Testing Center**: The Testing Center provides securing testing opportunities to meet the needs of students and the community in an environment conducive to student and academic success.

**Student Accessibility and Resource (SAR) Office**: The SAR Office works to provide students equal access to all educational, social, and co-curriculum programs through the coordination of services and reasonable accommodations, consultation, and advocacy.

**Student Counseling Center**: The Student Counseling Center supports students in developing balance, resiliency, and overall well-being both academically and personally. They have in person and virtual counseling options. In addition, the Student Counseling Center offers **TAO**, a self help, completely private online library of behavioral health resources. Sign in to the TAO website using your UT Tyler credentials.

**Catalog Description.** A course designed to afford the student opportunity to implement the skills of assessment, instruction, and evaluation in a tutorial setting that utilizes a peer coaching model. Prerequisite: Admission to the School of Education. Must have completed the EC-6 Core Curriculum.

### **Knowledge Base(s)**

This course introduces students to the development of literacy in young children, beginning from birth and continuing into the upper elementary grades. Students will learn about the theories of early literacy development as well as research and effective instruction practices that have shape how teachers and others have approached their work with young children. Course content incorporates the following standards for the preparation of reading professionals:

1. *International Literacy Association* standards for the preparation of Pre-K and elementary teacher candidates (ILA, 2010);
2. *Texas State Board for Educator Certification* standards for the preparation of English Language Arts and Reading Generalist ED-6 teacher candidates (Texas State Board for Educator Certification, 2016);
3. *Texas Education Agency Reading Competencies*:

*Domain I. Reading Pedagogy – Competencies 001-002*

*Domain II. Reading Development: Foundational Skills - Competencies 003-008*

*Domain III. Reading Development: Comprehension- Competencies 009-012*

*Domain IV. Analysis and Response- Competency 013*

*\*Please refer to a detailed list of competencies Canvas for this course./.*

### Student Learning Outcomes

Upon successful completion of the requirements of this course, teacher candidates will have opportunities to:

1. Develop foundational knowledge of the development of literacy in young children, beginning from birth and continuing into the upper elementary grades.
2. Explore an understanding of literacy development theories, research, and effective instructional practices, and how they can be used to inform and promote reading, writing, and oral language development in young children.
3. Apply the knowledge gained about the development of literacy in young children to develop, implement, and evaluate literacy instruction in EC-6 settings.

## Course Evaluation and Grading

The assignments and projects outlined below are designed to contribute in different, yet complimentary way in achieving the stated learning outcomes.

**1. Reading Assignments (25% of course grade).** Throughout the semester, you will be expected to attend every class, complete assigned textbook and other readings, and engage actively in class discussions and related activities. Your contribution to assigned class work is an important part of the course grade and an important component of your growth as a classroom reading teacher. The following criteria will be used to evaluate your class participation and engagement.

### **Key Assignments:**

1. Guided Reading Lessons
2. Running Records
3. 10 Reading Anchor Charts – Seravallo Book
4. 10 Writing Anchor Charts- Seravallo Book
5. Read Alouds

## **2. Projects: (40% of grade)**

**Project #1: Reading Workshop ARC of the Year Based on Analysis and interpretation of literacy assessment data.** In this assignment, you will have an opportunity to gain knowledge, skills, and experience in using data-based decision-making techniques and procedures to gather, analyze, and make sense of various types of literacy assessment data. You will also learn strategies for using assessment data to identify EC-6 students’ strengths and needs to develop goals for instruction. Based on assessment data, you will develop an ARC of the Year for Literacy. More details along with guidance will be provided throughout the course.

**Project #2: Lit Review of 8 ELAR Topic Articles** In this assignment, students will select eight peer-reviewed research journals to read, synthesize, and write a review of the literature.

### **Project #3 -Writing 20 Tutorial Lesson Plans & Preparing Tutorial Notebook.**

**Project #4 - WIX Portfolio- Technology & Literacy Integration:** Students will develop a video artifact, recording five tutorial lessons to be uploaded into Canvas & WIX portfolios. Lessons will include Texas Essential Knowledge & Skills, Science of Teaching Reading, and International Literacy Association Literacy Standards. More details along with guidance will be provided throughout the course. Grading based on a collection of evidence that demonstrates mastery, comprehension, application, and synthesis of a given set of learning objectives. Students must prepare a high-quality portfolio and effectively communicate what they have learned through reflection.

**Three Rationales integrated into the WIX Electronic Portfolio:**

- Growth: Show growth or change over time, help identify strengths and weaknesses, and can help students with self-reflection and goal setting.
- Showcase Work: students to prepare a sample of their best work to share with others.
- Evaluation: Document progress toward standards for grading purposes. **Student**

**Learning Outcomes for the WIX Electronic Portfolio:**

- Students will be assessed on their ability to organize, synthesize, and clearly describe their achievements.
- Students will complete varied types of assignments, respond to feedback, and revise their work.
- Students be evaluated on the progress they make in a course throughout the semester.
- Dialogue and collaborative conversations will take place throughout the semester. The professor will encourage students to analyze, monitor, and update the professional electronic portfolio.

**3. Quizzes (35% of grade).** There will be scheduled quizzes throughout the semester. Quizzes will cover material addressed in lectures, discussions, and assigned readings, as well as key vocabulary. The content of quizzes, which will consist of a mix of objective and/ or constructed response answers, is designed to probe your level of preparedness in understanding and using knowledge gained throughout the course to promote and support students’ literacy development in EC-6 classroom settings.

**Evaluation and Grading Guidelines and Criteria:** All written work should be typed (using a 12 pt. New Times Roman font, with one-inch margins, & page numbers). Properly labeled, and carefully proofread and edited. The criteria for determining your final course grade are outlined below. Course grades will be determined based on percentage.

Performance standards			
Points	Percent	Grade	Standard
90-100	90%	A	(Excellent) Superior
80-89.99	80%	B	(Good) Above Average
70-79.99	70%	C	(Undeveloped)Average
60-69.99	60%	D	(Poor) Below Average
00-59.99	59% or below	F	(Unacceptable)Mediocre

### Course Policies:

**Attendance.** Your attendance and participation are important and required to do well in this course. Students are expected to come to class and be well prepared to engage in scholarly discussion on the day's scheduled subject matter. A student will not be able to do well in the class without prompt and regular attendance. Class attendance and participation is expected. Arriving late or leaving early is considered an absence. If you are absent on the day an assignment is due, you are still expected to submit the assignment on time (e.g., via email or through another student). Points will be deducted from the final grade due to absences. Students will not be penalized for religious holidays (see policy below).

Absences will be treated as follows:

1 Absence = No Point Loss

2 Absences = 10 Point Deduction\* **Must schedule conference after 2<sup>nd</sup> absence**

3 Absences = 25 Point Deduction

4 Absences = 40 Point Deduction

- **Make/Up exam.** There will be NO make/up activities or exams for this course unless absence is due to an emergency. Students are expected to submit relevant documentation ( e.g. doctor's note, funeral notice, tow-truck receipt, etc.) when requesting a make/up activity.
- **Written Assignments.** Written assignments MUST be typed using **double spaced lines and have page numbers**. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores. **Type assignments in an easily-readable 12 point (e.g. Times New Roman, Helvetica, Tahoma)**

**Late Assignments** (turning in after due date) Assignments are due at the beginning of class. **Assignments that are one day late will be lowered 10%. Papers that are two days late will be lowered 20%. No assignments will be**

**accepted after 48 hours unless arrangements have been made with the instructor.**

- **Academic Dishonesty.** To be successful in this class, you must invest time for study. Honesty is expected. Academic dishonesty (cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Dishonesty is defined as (i) the use of unauthorized materials, (ii) any communication with peers during quizzes, (iii) representing another's work as one's own (i.e. plagiarism) or (iv) fabricating information. The professor reserves the right to determine occurrences of cheating. Additional information on Academic Dishonesty is found in the Selected University Policies section of this syllabi.
  
- **Canvas:** Students will access class notes, assignments, grades and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts.
- **Cell Phone / Pager / PDA / Blackberry usage:** Cell phones, pagers, etc., are not to be used during class. Turn such devices off or on vibrate and do NOT access them during class. The use of cell phone or other electronic communication devices during exams is prohibited. **Text messaging should be done before or after class!**
- **Person First Language:** Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use "people first" language at all times. "People First" language always refers to the person first and not as a label or a category. For example, refer to "a student with autism" and not "an autistic".
- **Teacher Candidate Dispositions.** The University of Texas at Tyler School of Education has developed **Teacher Candidate Disposition Assessment** outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: [www.uttyler.edu/education](http://www.uttyler.edu/education) (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in EDSP 4269 will adhere to and demonstrate these teacher candidate dispositions at all times.

**Safe Zone**

The professor considers this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom a safe environment.
