

The following table represents the usual pattern of course offerings. Occasionally, offerings may differ due to changes in instructor availability or failure of a class to obtain sufficient enrollment. Consult the official course offerings for each semester for information of course sections, course times, and modes of delivery.

	Fall	Spring	Summer
ALHS 1300 Personal and Community Wellness	X	X	X
ALHS 1315 Intro to Nutrition	X	X	X
ALHS 2301 Medical Terminology	X	X	
ALHS 2315 Nutrition for Allied Health	X	X	X
ALHS 3301 Environmental Health		X	
ALHS 3302 Human Diseases	X	X	
ALHS 3315 Nutrition through the Life-Cycle	X	X	
ALHS 3352 Consumer Health	X	X	
ALHS 3360 Community and Public Health	X	X	
ALHS 3362 Behavioral Health	X	X	X
ALHS 3370 Health and Wellness	X	X	
ALHS 4304 Program Design and Evaluation	X	X	
ALHS 4306 Health Care Delivery System	X	X	
ALHS 4317 Weight Management	X		
ALHS 4320 Epidemiology	X	X	
ALHS 4326 Health and Human Sexuality		X	
ALHS 4333 Stress Management	X	X	
ALHS 4335 Global Health	X		X
HECC 4155 CHES Prep	X	X	
HECC 4308 Ethics	X	X	X
HECC 4333 Intro to Biostatistics	X	X	
HECC 4353 Program Organization and Administration	X		
HECC 4370 Internship	X	X	X
HECC 4371 Internship	X	X	X
KINE 2330 Fundamentals of Exercise Science	X	X	
KINE 2337 Care and Prevention of Athletic Injuries	X	X	X
KINE 3102 Clinical Experiences in Athletic Training I	X		
KINE 3103 Clinical Experiences in Athletic Training II		X	
KINE 3112 Physiology of Exercise Lab	X	X	X
KINE 3132 Human Motor Control and Learning Lab	X	X	X
KINE 3135 Biomechanics Lab	X	X	X
KINE 3301 Assessment of Athletic Injuries I	X		
KINE 3302 Assessment of Athletic Injuries II		X	
KINE 3303 Motor Development	X	X	X
KINE 3306 Fitness Assessment Skills	X	X	X
KINE 3311 Exercise Physiology	X	X	X
KINE 3331 Human Motor Control and Learning	X	X	X

KINE 3334 Biomechanics and Anatomical Kinesiology
 KINE 3342 Therapeutic Modalities
 KINE 4101 Clinical Experiences in Athletic Training III
 KINE 4102 Clinical Experiences in Athletic Training IV
 KINE 4304 Principles of Training: Endurance
 KINE 4305 Principles of Training: Strength and Power
 kine 4308 Adapted PE
 KINE 4319 Aging and Physical Performance
 KINE 4321 Sports Nutrition
