

2022-2023 Academy Report

MENTORING

ADT had a successful launch to our Academy Mentoring Program (AMP): 15 mentees participated in AMP this AY from across the institution! Mentees and mentors have met over the fall and spring semesters.

NETWORKING

The first annual ADT networking event was hosted in April at the Grove Kitchen and Gardens. Academy Members and AMP mentees joined!

INDUCTEES

ADT welcomed an unprecedented 9 NEW members into the Academy: 3 Teaching Fellows and 6 SHINE Members

Inductees were honored during the Spring 2023 F/S Awards Ceremony

ENGAGEMENT

THECB funded seminars were conducted by 6 Academy Fellows under the direction of Dr. Colleen Swain's Grant - Rise as One for UT Tyler Students' Success Project: Workshop series. Each workshop related to improving incoming FTIC and Transfer Students' Experiences, the content was developed by Academy Teaching Fellows and delivered to the campus community.

TEACHING TOPICS

Bi-Monthly Teaching Topic sessions, open to the UT Tyler community, were hosted by ADT members throughout the academic year.

Provost Mirmiran conferred the title of "Distinguished Teaching Professor" for 24 Academy Fellows; in recognition of their significant contributions to the University's teaching and learning environment.

Per Regents' Rule 31001: Faculty Appointments and Titles, section 2.3.
