

**The University of Texas at Tyler's Intensive English Language Institute (UT Tyler IELI)**

is dedicated to working with non-native English speakers who are seeking admittance to U.S. colleges and universities or wish to expand their horizons by improving their academic English language and American culture skills. Our IELI offers students, scholars, faculty, and visiting delegations **affordable**, high-quality **short and long-term English training programs**, which include specialty seminars in fields of Business, Engineering, Healthcare, Teaching, Travel and Tourism, among many other options.

For longer-term students, our IELI offers an 8-week program of intensive academic English courses. We offer classes in Levels 1-7, based on placement testing, and five entry points per year: two in the fall, two in the spring, and one during the summer. **All classes** are small and personal. Instructors tailor classroom instruction to meet the learning needs of students. Online resources as well as **authentic learning** through tours of area museums and historical sites are a regular part of the learning experience. Instructors seek to inspire creativity while building student's academic vocabulary, knowledge, and language skills.

**Advantages of Choosing the University of Texas at Tyler's IELI**

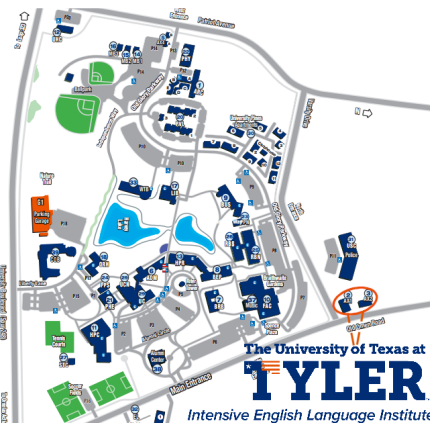

- Our student to teacher ratio never exceeds **15:1**; students receive individualized attention.
- Our **diverse offerings** of specialty programs are applicable to students in any field of study.
- Our knowledgeable, **highly-educated and experienced instructors** understand the difficulties of learning a new language, and are able to encourage students in their personal growth.

**IELI Programs**

Students study English for their own personal or professional goals by taking advantage of our short-term programs ranging from one to three weeks, or our half or full session program.

**Options include:**

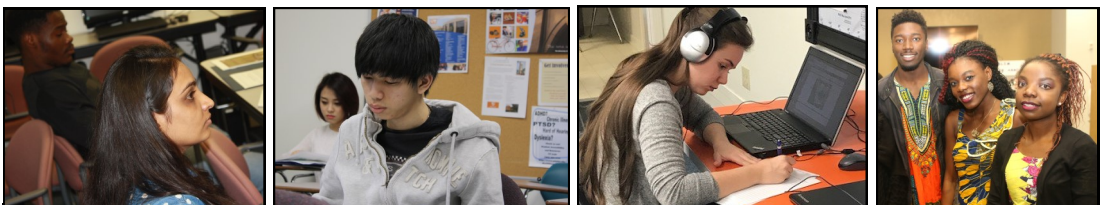

- Conversation class: **Free** every Thursday, September - May from 3:30 to 5:00 pm.
- Week-long program: 21 classroom hours - \$250 + books and materials.
